FALANX FGS

GENERAL

Art. no.:	H-1010-80	E-class number:	40-02-01-05
EAN:	4030281281726	Customs no.:	76169990990001
Standard:	EN 12275-B:2013		

Data sheet

FALANX FGS

The FALANX FGS is the perfect carabiner for intermediate anchor points and for quickdraws: More material at the most stressed point in the vertex protects against premature abrasion. The Key-Lock nose and the large gate opening facilitate handling.

- H-profile design for a balanced ratio of strength and weight
- Key lock gate for convenient clipping and unclipping
- Geometry of the carabiner ensures optimum load distribution on the main axis
- Milled "grip zone" on the gate to simplify clipping / attaching the carabiner.

GENERAL

Internat. standard: UIAA 121

FEATURES

Colour: dark grey

Max. service life: 30 Years

DIMENSIONS

Weight: 0,04 kg

MATERIAL

Material: Aluminium
